2. Comments for the Current Month

Existing-store sales were 98.4% of the prior-year level, and existing-store customer traffic was 99.2%, both below the previous year.

While sales of air conditioners, pet food, daily food products, detergents, and insecticides remained strong, sales of seasonal products such as beverages and water bottles were sluggish because the rainy season ended later than in the previous year, weighing on overall existing-store sales.

3. Topics

Impact of the 2026 Kumamoto Earthquake: Damage to ceilings, walls, and other parts of the buildings has been confirmed at the Kumamoto Inter Store and Matsubase Store. Sales are currently limited to selected products. The financial impact is under assessment and will be disclosed promptly if material.

New Stores : MrMax Ogori Store opened on July 16, 2026, and MrMax Forte Honjo Store is scheduled to open on August 27, 2026.
